Wish Upon A Star's Purpose

Wish Upon A Star is a non-profit, law enforcement effort designed to grant the wishes of children afflicted with high risk and life threatening illnesses. Our services are available to children throughout the state of California, ages 3 to 18 years. Wish Upon A Star has granted over 1900 wishes in 28 years of service.

What is Shave the Brave?

Shave the Brave is an effort on the part of the community heroes. The everyday brave we depend on to keep us safe. Our law enforcement, fire fighters, emergency and military personnel come together to publicly shave their heads in support of children with cancer. The shaving of heads is symbolic, a visual act of solidarity with children who have lost their hair to chemotherapy. The message this sends to the children is clear, "We respect your courage and we've come to help."

Raegan's Wish:

Raegan is a bright, energetic and brave 8 year old who was diagnosed with an abnormal tumor surrounding her arteries and blood vessels. She has a true passion for dolphins. Raegan's wish was to go on a Disney Cruise with her family. Wish Upon A Star granted Raegan's most heartfelt wish to escape for some much needed

relaxation and fun in the sun. Raegan enjoyed four magical days on a Disney Cruise Ship with some of her favorite Disney characters. She even had the opportunity to dance and swim with the dolphins in a private lagoon. They even gave her hugs and kisses which she will treasure forever! Mom further stated "it was an awesome trip and we give a huge Thank You to Wish Upon A Star for the joy and priceless memories for Raegan and our family to have had this amazing opportunity".
